The Mirror, '51

Published by SENIOR CLASS OF 1951 FREDERICKTOWN, OHIO

1951

Our year at Fredericktown High School was a year of learning, growth, and social activity.

Learning in High School is usually a phase of our life which is taken for granted. We realize that learning is the main reason for coming to school, but we also know that it takes more than just reading assignments to make one's life a success.

In all sincerity it takes school social functions to help us realize that we must be able to get along with others to make this life on earth a complete, enjoyable, and helpful one.

MIRROR

SCHOOL TRADITIONS

ACTIVITIES

CLASSES

These are the things that go on at school throughout our growing years. Not only do we learn mentally, but our physical growth is cultivated also, with the many school activities. We learn to get along with others when attending clubs or merely walking through the school halls.

In hope that we may express in some measure our appreciation, we the seniors of "51" wish to dedicate this year book to Mr. Stacy, who has built with his unlimited patience and time what we at Fredericktown High believe is the best class B school band in the state.

Foreword

I want to express my sincere thanks to the Mirror Staff and the Senior Class for their help in making this Year Book a success. I also wish to thank the business and professional men of Fredericktown and neighboring communities and any others who contributed in any way to make possible the 1951 edition of the Mirror.

Dear Frederick Hi, within thy walls,
We learn thy truth and loyalty;
And see as time's dim shadow falls
Thy care a guiding hand to be.

Thy name a glorious light shall be.

On September 5, 1950, there were thirty students enrolled in our class. The third week of school we were sorry to lose Julia Litt.

Under the excellent guidance of Betty Lamb, Miss Durieux, and Miss Dunn, we looked forward to the fun and work that is expected of all juniors, having charge of selling at the football and basketball games.

Many of our boys belong to Hi-Y, F.F.A., and play football and basketball. Our girls are quite busy with Y-Teens, F.H.A., Glee Club, and Band.

We look forward to being seniors but we will always remember our junior year in Fredericktown High School.

Sophomore

Our Sophomore class started school with 55 members. We were glad to welcome Richard and Donna Johnson from Chesterville, making our enrollment 57.

Two of the reserve cheerleaders hail from our class, along with the boys belonging to Hi-Y, F.F.A., and Athletics. The girls are active in Y-Teens, F.H.A., Newspaper Staff, Algebra Club, and Library Club.

We are all looking forward to becoming Juniors in good old F. H. S. next year.

The Annual Staff was composed of hard working seniors who worked cooperatively to have a well planned 1951 year book. To raise money for this project we sponsored a dance, put on 2 one-act plays for the school, sold ads, and took subscriptions. It was work, but it was fun and I know the staff will remember their last year at Fredericktown High School.

The Fredericktown chapter of Future Home Makers of America has a membership of 86 girls who are working "Toward New Horizons." Our activities for the year are: sponsoring the Bi-County meeting in March, editing program books, going to F. H. A. camp for the first time. We have 6 seniors who are trying for state homemaker degree.

The club has one meeting a month in which we foster F. H. A. This is followed by a social hour.

F. F. A

The Fredericktown chapter of the Future Farmers of America has a membership of 27 boys. While "Learning to do, doing to learn; earning to live, living to serve," these farm boys are striving to make better rural communities.

This year Herb Spearman, Willard Ruhl, Harold Layman, and Dallas Popham attended the National F. F. A. convention in Kansas City, Missouri. The parliamentary procedure team won top honors in the county contest and placed second in the district contest. Other activities included a square dance, a basketball team, and a scrap drive.

The 1950 Freddie marching band was quite an active group this season. We marched at eight of our football games, played concerts for the Fredericktown Centennial, and led the annual Fredericktown Halloween parade.

Our band director, Mr. Stacy, displayed talent in planning our formations and marching style, with the help of fifty regular band members and two alternates.

Although we had a successful season we are looking forward to a greater season in 1951.

PROFESSOR, HOW COULD YOU! BY ANNE COULTER MARTENS

We find our professor faced with a great problem. He must pick himself a wife in three days. Naturally all his friends wanted to help so they picked wives for him. When he saw them, what he had to choose from he decided he didn't want to get married.

Just when he thought he had lost his last chance to become Dean of the college one of his problem students came to his rescue. When he saw her he knew she was the one he had been in love with all the time. As the saying goes, "All is good that ends good." The professor got his wife and also the new position.

Judy wanted to become queen of the community relief fund. In order to do this she had to sell subscriptions for the fund. Judy gets the bright idea of entering contests to make money. This didn't work so well so she decided to write a confession which later became mistaken with Mrs. Foster's P. T. A. speech, but after all this "Tootsie" Whiteman wins the queen contest, but just before the dance Tootsie Whiteman came down with a bad case of hives so Judy got to be queen after all.

OU don't need an almanac to know when summertime is here. If no other signs of the season were to appear, you'd know it was summer by your urge to go questing for recreation and lighthearted moments. But even the planning of a vacation can send your spirit sailing to enchanted islands where dull care is taboo. Printing, with its power to transport the imagination, provides an endless variety of ideas for a holiday from wilting weather and life's little contentions. No wonder that successful advertisers continue their efforts in this season.

Printed salesmanship works tirelessly and gets results the year around.
